Pengiriman produk beton pracetak ke-18 dari *Precast Concrete Plant* Lampung Selatan untuk mendukung proyek ekspansi pabrik PT OKI Pulp & Paper Mills hingga Kuartal III 2026.

Jakarta, 30 Oktober 2026 — Menghadapi dinamika industri konstruksi nasional sepanjang 2026, PT Wijaya Karya Beton Tbk (WIKA Beton) konsisten memperkuat strategi keberlanjutan bisnis. Strategi ini berhasil mendorong laba tahun berjalan yang dapat diatribusikan kepada pemilik entitas induk tumbuh 81,46% secara YoY (*year-on-year*) dari Rp8,35 miliar menjadi Rp15,15 miliar pada kuartal III 2026.

Pertumbuhan kinerja keuangan tersebut didukung kuat oleh ekspansi pasar serta diversifikasi portofolio strategis, yang berhasil mendorong perolehan pendapatan usaha sebesar Rp2,55 triliun hingga akhir kuartal III 2026. Dari total raihan tersebut, segmen produk putar menjadi penopang utama dengan kontribusi sebesar 46,93%, diikuti oleh produk non-putar 35,50%, konstruksi 13,97%, serta jasa 3,60%.

Direktur Keuangan, Human Capital, dan Manajemen Risiko WIKA Beton, Syailendra Ogan, menegaskan bahwa pencapaian positif pertumbuhan laba ini selaras dengan fokus perusahaan dalam menjaga keberlanjutan bisnis secara konsisten. Langkah tersebut ditempuh melalui efisiensi operasional dan penyehatan struktur biaya secara disiplin dengan tetap menerapkan tata kelola perusahaan yang *prudent*.

> “Peningkatan kinerja keuangan dan kontribusi kuat dari berbagai segmen usaha semakin memperkukuh fondasi finansial kami. Hal ini memberikan ruang bagi WIKA Beton untuk terus bertumbuh secara sehat, tangguh, dan berkelanjutan di tengah tantangan industri.”

Menjelang akhir tahun 2026, WIKA Beton berkomitmen untuk menjaga akselerasi pertumbuhan finansial demi menciptakan nilai tambah berkesinambungan bagi seluruh pemangku kepentingan. Komitmen ini sekaligus mempertegas peran aktif perusahaan dalam memperkuat ekosistem industri konstruksi nasional di bawah naungan Danantara dan BUMN.

Jakarta, October 30, 2026 — Navigating the dynamics of the national construction industry throughout 2026, PT Wijaya Karya Beton Tbk (WIKA Beton/WTON) has consistently strengthened its business sustainability strategy. This strategy successfully drove profit for the period attributable to owners of the parent entity to grow by 81.46% year-on-year (YoY), rising from IDR 8.35 billion to IDR 15.15 billion in the third quarter of 2026.

This financial performance growth was strongly underpinned by market expansion and strategic portfolio diversification, which successfully generated IDR 2.55 trillion in operating revenue through the end of the third quarter of 2026. Of this total achievement, the rotary products segment served as the primary contributor at 46.93%, followed by non-rotary products at 35.50%, construction at 13.97%, and services at 3.60%.

WIKA Beton's Director of Finance, Human Capital, and Risk Management, Syailendra Ogan, emphasized that this positive profit growth aligns with the company's consistent focus on maintaining business sustainability. This milestone was achieved through disciplined operational efficiency and cost-structure optimization while upholding prudent corporate governance.

> "The improved financial performance and robust contributions across various business segments further solidify our financial foundation. This provides WIKA Beton with the capacity to continue growing in a healthy, resilient, and sustainable manner amidst industry challenges."

Approaching the end of 2026, WIKA Beton remains committed to maintaining its financial growth acceleration to deliver sustainable added value for all stakeholders. This commitment also reinforces the company's active role in strengthening the national construction industry ecosystem under the auspices of Danantara and State-Owned Enterprises (SOEs).
