WIKA Beton Catat Pertumbuhan Kinerja Positif pada Semester I 2025

Jakarta, 23 JULI 2025 – PT Wijaya Karya Beton Tbk (WIKABETON) kode saham WTON, mencatatkan kinerja positif sepanjang Semester I tahun 2025. Hingga akhir Juni, Perseroan berhasil membukukan laba sebesar Rp 4,35 miliar. Capaian ini menunjukkan ketangguhan operasional Perseroan di tengah dinamika industri konstruksi nasional.

Di sisi pendapatan, WIKABETON mencatatkan perolehan usaha sebesar Rp 1,57 triliun per Juni 2025. Kinerja ini mencerminkan upaya berkelanjutan Perseroan dalam menjaga produktivitas dan efisiensi operasional.

Pendapatan terbesar masih berasal dari lini produk utama, yaitu beton pracetak dan beton segar (*readymix*), yang secara konsolidasi menyumbang 87,57% dari total pendapatan. Sementara itu, segmen jasa konstruksi turut memberikan kontribusi positif sebesar 12,43%.

Sampai pertengahan tahun, WIKABETON telah membukukan kontrak baru senilai Rp 2,10 triliun. Kontrak tersebut didominasi oleh proyek infrastruktur sebesar 50,93%, disusul sektor industri 23,31%, sektor kelistrikan 12,80%, serta sektor properti, energi, dan pertambangan dengan total kontribusi sekitar 13%.

Dari sisi kepemilikan kontrak, pelanggan swasta menjadi kontributor terbesar dengan porsi 57,72%, menunjukkan kepercayaan tinggi dari pasar non-pemerintah. Disusul oleh BUMN lain 24,68%, induk usaha dan afiliasi 5,64%, serta kemitraan dalam bentuk KSO/JO sebesar 11,96%.

Mengusung moto *Solution and Trust*, WIKABETON terus berkomitmen untuk mendukung pemerataan pembangunan infrastruktur nasional melalui penyediaan produk dan layanan berkualitas tinggi, serta penerapan prinsip-prinsip industri hijau yang berkelanjutan.

PRESS RELEASE

WIKA Beton Records Positive Performance Growth in the First Half of 2025

Jakarta, 27 July 2025 – PT Wijaya Karya Beton Tbk (WIKA Beton), stock code WTON, recorded a positive performance throughout the first half of 2025. As of the end of June, the Company successfully booked a profit of IDR4.35 billion. This achievement demonstrates the Company's operational resilience amidst the dynamics of the national construction industry.

In terms of revenue, WIKA Beton reported an operating income of IDR1.57 trillion as of June 2025. This performance reflects the Company's ongoing efforts to maintain productivity and operational efficiency.

The largest portion of income still derives from its core product lines—precast concrete and readymix concrete—which collectively contributed 87.57% of total revenue. Meanwhile, the construction services segment provided a positive contribution of 12.43%.

By mid-year, WIKA Beton had secured new contracts valued at IDR2.10 trillion. These contracts were dominated by infrastructure projects 50.93%, followed by the industrial sector 23.31%, the electricity sector 12.80%, and the property, energy, and mining sectors, which together accounted for approximately 13%.

From a contract ownership perspective, private clients were the largest contributors at 57.72%, reflecting strong trust from the non-government market. This was followed by other State-Owned Enterprises 24.68%, the parent company and affiliates 5.64%, and partnerships in the form of KSO/JO at 11.96%.

With the motto "Solution and Trust", WIKA Beton remains committed to supporting the equitable development of national infrastructure by providing high-quality products and services, as well as implementing sustainable green industry principles.
