

ANTI-BRIBERY COMMITMENT

To:
All Business Partners
PT Wijaya Karya Beton Tbk

Dear Sir/Madam,

PT Wijaya Karya Beton Tbk (“WIKA Beton”) is committed to upholding the principles of Good Corporate Governance in the implementation of its Anti-Bribery Management System.

With due respect, we urge you—as our Business Partners, including but not limited to Subcontractors, Suppliers, Supervisors, and Consultants—to consistently implement the Anti-Bribery Management System Policy that applies within WIKA Beton. Any activity that is considered a violation and becomes known to you must be reported to WIKA Beton.

To support the enforcement of Good Corporate Governance principles and the Anti-Bribery Management System, as well as to maintain a professional, clean, and transparent work environment within WIKA Beton, should you become aware of or suspect any fraud, including corruption, bribery, violations of ethics or policies, conflict of interest, or any other form of misconduct involving Commissioners, Directors, or Employees of WIKA Beton, you may submit an anonymous report (whistleblowing report).

WIKA Beton reserves the right to terminate its relationship with any Business Partner proven to have engaged in bribery by, on behalf of, or for the benefit of the Business Partner in connection with transactions, projects, activities, or any relevant relationship based on previous investigation results.

WIKA Beton has provided a whistleblowing service channel (as listed below) accessible to all Business Partners.

Thank you for your attention.

Sincerely,
PT Wijaya Karya Beton Tbk
