Jakarta, 29 Juli 2026 — Mengoptimalkan momentum pemulihan dan percepatan proyek strategis, PT Wijaya Karya Beton Tbk (WIKA Beton) membukukan kinerja keuangan yang solid pada paruh pertama tahun ini. Perusahaan berhasil mempertahankan laju bisnisnya dengan mencetak laba sebesar Rp4,74 miliar, bertumbuh 9,14% secara tahunan (YoY) dibandingkan laba pada periode yang sama sebelumnya sebesar Rp4,34 miliar.

Pertumbuhan tersebut sejalan dengan capaian pendapatan usaha yang mencapai Rp1,48 triliun. Keberhasilan operasional yang tangguh ini ditopang oleh penerapan upaya strategis mencakup efisiensi melalui divestasi aset nonproduktif, optimalisasi sistem digital berbasis ERP, serta penguatan tata kelola berkelanjutan demi memacu likuiditas dan keunggulan kompetitif.

Dari sisi neraca, kesehatan finansial WIKA Beton terjaga dengan baik terlihat dari likuiditas memadai dengan *current ratio* 130,95%. Struktur modal juga kian sehat seiring penurunan rasio utang terhadap ekuitas (DER) menjadi 71,52% dari sebelumnya 81,75% (YoY), yang menandakan permodalan WIKA Beton semakin kuat dan pendanaan operasional perusahaan tidak terlalu bergantung pada utang. Sementara itu, postur pendapatan secara proporsional digerakkan oleh segmen produk putar 47,91%, non-putar 34,44%, konstruksi 13,27%, dan jasa 4,37%.

Sekretaris Perusahaan WIKA Beton, Ignatius Harry, menuturkan bahwa kedisiplinan finansial terbukti menjadi fondasi penting bagi keberlanjutan bisnis perusahaan.

"Kestabilan operasional dan keuangan yang tercapai saat ini menunjukkan langkah WIKA Beton sudah cukup efektif. Fokus Perusahaan saat ini adalah menjaga ritme tersebut demi mewujudkan penciptaan nilai tambah bagi para pemangku kepentingan dan masyarakat."

Memasuki semester kedua, sebagai bagian dari ekosistem Danantara dan BUMN, WIKA Beton akan terus bertransformasi dan berinovasi untuk menjaga keberlanjutan bisnis. Rangkaian inisiatif tersebut difokuskan pada penciptaan nilai jangka panjang yang diyakini akan berdampak positif bagi kinerja finansial WIKA Beton.

PRESS RELEASE

Q2-2026 Performance Grows, WIKA Beton's Profit Reaches IDR 4.74 Billion

Jakarta, July 29, 2026 — Optimizing the recovery momentum and the acceleration of strategic projects, PT Wijaya Karya Beton Tbk (WIKA Beton) recorded solid financial performance in the first half of this year. The company successfully maintained its business pace by posting a net profit of IDR 4.74 billion, growing 9.14% year-on-year (YoY) compared to IDR 4.34 billion in the same period last year.

This growth was in line with operating revenues, which reached IDR 1.48 trillion. This resilient operational success was supported by the implementation of strategic measures, including efficiency through the divestment of non-productive assets, optimization of an ERP-based digital system, and the strengthening of sustainable governance to boost liquidity and competitive advantage.

On the balance sheet side, WIKA Beton's financial health remained well-maintained, reflected in adequate liquidity with a current ratio of 130.95%. The capital structure also became healthier as the debt-to-equity ratio (DER) declined to 71.52% from 81.75% (YoY) previously, indicating that WIKA Beton's capital position is growing stronger and the company's operational funding is less reliant on debt. Meanwhile, revenue was proportionally driven by spun products (47.91%), non-spun products (34.44%), construction (13.27%), and services (4.37%).

WIKA Beton's Corporate Secretary, Ignatius Harry, stated that financial discipline has proven to be an essential foundation for the company's business sustainability.

"The operational and financial stability achieved today shows that WIKA Beton's measures have been quite effective. The Company's current focus is to maintain this momentum to generate added value for stakeholders and society."

Entering the second half of the year, as part of the Danantara and State-Owned Enterprise (SOE) ecosystem, WIKA Beton will continue to transform and innovate to maintain business sustainability. These initiatives are focused on long-term value creation, which is believed to have a positive impact on WIKA Beton's financial performance.
